

Request for Enrolment Change

This form must be completed and returned to the office if you wish to be offered changes to your current enrollment. Changes will only be available from within the program in which your child is currently enrolled. You will be prioritized for any positions available in your current program in the order of date in which the office received this form. You will be contacted when we can accommodate your request. If you have any questions, please call the office at 778.471.5969
